(Emergencies Only)	Creative Doors	780.483.1789

How to submit a Maintenance Request to Skyline Property Management:

Preferred method of submission is via email, but submission by telephone is OK.

1. If you don't have email – telephone Joy Wallace - Direct Line: (780) 246-0644. During the call make it clear this is a Maintenance Request. Include your name, address and phone number. Describe the problem in as much detail as possible and give some indication of severity.

2. Email – submit an email to Joy Wallace at jwallace@skylineproperty.ca and CC to Evillagemaint@gmail.com. In the email subject line identify the email as a Maintenance Request from Estates Village Unit xxx. Include your phone number. Describe the problem in as much detail as possible and indicate severity level. The evillagemaint@gmail.com mail goes to the board member responsible for maintenance, currently Alain Brosseau.

How to submit an Indemnity Request

An Indemnity Request is an owner's request to the board to make changes to the exterior of the house. It can range in complexity from adding a handrail at the front door to adding a sunroom on the deck.

owner is responsible for the design, permitting, building, inspection and all future maintenance of the change.

Use the form on the website and send it to Board President, currently David Holehouse, dwholehouse@gmail.com with CC to Evillagemaint@gmail.com. This is an owner-to-board transaction where the board will get the Condominium Manager involved as an advisor. Once the board has approved the Indemnity Request work can begin and a signed copy will be stored by the Condominium Manager.
