

ESTATES VILLAGE

Owner Information Release Authorization

The authorizations below will allow the Board of Directors to contact an owner electronically and provide other owners with your contact information if requested. There have been several requests for a phone list of Owners. In order to release this information and work within the Provincial Privacy Act your authorization is required. All information is voluntary.

Should you wish not to provide any of the information for the noted uses, you may not receive information in a timely manner. Minutes, and Newsletters will be available on the website.
